BRIEF ABSTRACT OF LETTER.

Forwards copy of letter, dated 27-7-10 from the Hony. Secy. Koppa medical fund, proposing to divide the govt. grant-in-aid of Rs 20/- p.m. between Koppa & Sakleshpur & soliciting early orders of government in the matter.

NOTES AND ORDERS.

The Hon. Secy. of the Koppa Medical Fund states that Dr. Williams who was the doctor appointed by the institution, resigned in June last, & experience has proved that the area is too large and the work

too heavy for one European doctor. It is therefore proposed to have one doctor at Koppa and another at Sakleshpur to cope with the work efficiently in the Estates efficiently. Accordingly the Hon'y. Sec'y. writing on behalf of the institution, desires to know if Government will permit the Board to divide the present grant of Rs 200/- now p.m. between Koppa & Sakleshpur equally, and if Government are likely to continue the grant after the present period of the present grant is over.

2. The Deputy Com'r. in forwarding the letter, says, that he has sent a reply to the Hon'y. Sec'y telling him that it is rather premature to start the subject of the continuance of the grant-in-aid, & that it would be better to approach Government in the matter a few months before the expiry of the period. As regards dividing the grant of Rs 200/- p.m. between Koppa & Sakleshpur equally, the D.C. sees no objection, provided the amount is utilised in the best way for the benefit of the Planting Community as well as of the Coolies, and the Sec'y. furnishes for information an annual Statement of accounts, indicating how the grant-in-aid of Rs 200/- & the Subscriptions amounting to 2400 Rs/- per Annum are utilised

The present grant expires on 22.8.1911 Vide G.O No: 7833-7 P med 89-08-6 dt 13.2.09

and administered -

3. When the grant was renewed by Government from Aug 1908 for a further period of 3 years, no conditions were imposed as regards the administration of the fund which was evidently left to the managing members of the fund. Now they propose to alter the utilising of the grant, while the object remains unchanged. Dr. Williams has probably resigned because he found the work too heavy. His resignation has led to the present proposal being placed before Government. If the grant can be divided as proposed, two medical men can no doubt be engaged in place gone; but it is to be doubted whether it will be possible to secure equally good men on half the salary. The Deputy Commissioner, however, sees no objection to the proposed division, & it may be favourably considered if there is no sacrifice of efficiency.

Deputy Commissioner, Kadur District.

To

C.S.Palasundaram Iyer, Esquire, B.A.,

Offg. Secretary to the Govt. of Mysore,

General & Revenue Departments, Bangalore.

Sir,

With reference to your letter No 3285/med 61-10-2, dated the 6th October 1910, calling for further information regarding the continuance of the grant-in-aid to the Koppa Medical Fund, I have the honour to submit herewith, for favourable consideration and orders of Government, copies of letters dated 6th and 26th December 1910 from Mr.C.H.T.Roper, Hon.Secretary of the Fund.

2. The abstact (copy enclosed) of the Koppa Medical Fund cash Book furnished by Mr.Roper shows that the total receipts of the fund for the past 3 years including the allowance from Govt. aggregate Rs.12968/-, while the expenditure during the same period totalled Rs.9105/-, leaving a balance of Rs.3763/-.

3. In view to afford proper medical aid in the District, the authorities of the Fund propose to have qualified Apothecaries or Assistants in two centres, one at Koppa, and another at Solleoyle, which arrangement, will, of course, entail considerable expense; and the erection of necessary buildings will swallow up the balance in hand.

4. The continuance of the grant-in-aid sanctioned in Govt Proceedings No.7633-7/med.89-08-6, dated 10th February 1909, will cease in August 1911. Having regard to the good-work that is being done by means of the Fund, I beg leave to recommend the renewal and continuance of the Government grant-in-aid for another period of 3 years.

I have the honour to be,
Sir,
Your most obedient servant,

K.R.Srinivasa Iyengar
Deputy Commissioner,
Kadur District.

Letter ,Dated, 6-12-1910,from the Hon.Sedretary, Koppa Medical Fund, to the Deputy Commissioner,Kadur District.

" I have the honour to enclose abstract of the Koppa Medical Fund Cash Book from January 1908 to October 1910. It is impossible to get a fully qualified Doctor to stay here for any length of time on the Pay we are able to offer. The last two Doctors only stayed a few months. We are in urgent need of Medical aid in the District,and the only way to do this will be to divide the Fund having Apothecaries at Koppa and Sollebyle; this will entail considerable expense as we shall have to put up buildings for them ,and we hope Government will be able to continue the grant-in-aid for the Fund."

Letter, dated 26-12-1910,from the Hon. Secretary ,Koppa Medical Fund, to the Deputy Commissioner, Kadur District.

" I have the honour to state that when I met you at Balehonnur I explained to you the desire of the Koppa Medical Fund to have two Assistants,one to be in Sollebyle and one in Koppa, which met with your approval. I hope you will recommend this Scheme to Government and get it settled as soon as possible, also about continuance of the grant as we are badly in need of Medical aid for our Coolies.".
